**Department of General Services**  
**Kenneth Hess, Deputy Secretary for Procurement**

Good morning. Thank you for the opportunity to be here today. I'm Kenneth Hess, Deputy Secretary for Procurement for the Department of General Services.

I'll be discussing the Department of General Services' view of the impact that SB 696 will have on the Department, including the Commonwealth, and will provide insight into what can be expected if the bill moves forward as currently written.

I would first like to recognize that the Department of General Services, in addition to the Legislature, recognizes the tremendous importance of protecting the personal information of the citizens of the Commonwealth. It is the responsibility of government and nongovernmental entities alike, in addition to contractors, to aim to protect all personally identifiable information (PII) and personal health information (PHI). The Department agrees with the legislature that breaches of personal information are a concern and not to be taken lightly, however, the language in the current bill gives us pause when considering the scope and attendant time, cost, and resources that would be required by the most literal interpretation of the provisions. We are confident that this hearing will provide a forum to mutually explore and to close the gap between the legislative intent to protect personal information and procurement policy that covers a myriad of contracts which contain no PII or PHI of any kind.

### **Points of Discussion**

The Department believes that SB 696, as currently written, is unintentionally overly prescriptive in that it applies to ALL new and existing state contracts, for both goods and services, many of which involve no PII/PHI and are irrelevant to the intent and purpose of the bill. Some examples include construction contracts, contracts for materials only, and contracts for "analog" services such as those involving pest control, janitorial services, facility and vehicle repairs, etc.; all of these are irrelevant as none of them include PII/PHI. Similarly, there is no need for SB 696

to apply to contracts for straight material purchases such as dump trucks and other vehicles, road salt, office supplies, etc.; again, there is no PII/PHI involved.

Rather, the contracts that do involve PII or PHI, which would be relevant to the bill, include contracts for services that contain IT components, contracts for medical staffing and license center staffing where the contractor has access to PII and/or PHI. As such, there is little to no value to including all contracts within the scope of SB 696 as so many are unrelated to the purpose and provisions of SB696, while imposing burdens on the procurement process.

Additionally, the Department believes that SB 696 can be more effective and efficient by designating a spend threshold. We believe that the Legislature should not encumber COPA administrators by including P-card<sup>1</sup> and other small purchases of goods and services in screening and amendment as required by the bill.

However, the Department is concerned with the cost and resources the bill will require, as written, given the existing requirements for all new and existing contracts.

In order to understand the impact that the SB 696 would have, the Department identified (1) the total number of active contracts (agency and statewide) for all goods and services; (2) the total number of active stand-alone purchase orders for all goods and services; and (3) the average number of hours to negotiate new notification provisions and/or use of encryption into the existing contracts<sup>2</sup>. Based on the data, it was determined that it would cost the Commonwealth approximately \$84M to renegotiate the total number of active contracts and purchase orders. To be clear, the \$84M does not include any costs that the supplier might seek in return for consent to

accept the added responsibility, the cost this will have on future contracts, or the hiring, training, and domiciling cost of additional staff that will be required to come into full compliance with the bill, as written, within one year. The aforementioned \$84M estimate is based on the Commonwealth hiring an additional 108 attorneys, 197 issuing officers, and 219 (agency or external) subject matter experts. To frame these cost and resource requirements, we submit that the Department of General Services' Bureau of Procurement current annual budget is \$10M covering 70 issuing personnel and 4 attorneys.

The Department is also concerned with other potential, but less quantifiable risks that SB 696 will have on negotiating current contracts. There is the possibility of suppliers seeking to terminate, rather than accept additional responsibilities. The Department is already seeing significant resistance to higher and higher liability coverage driven by exceedingly rare, but potentially catastrophic data loss. Insurers are unwilling to provide coverage to suppliers that seek astronomical or unlimited loss protection. Our supplier pools are receding owing to such onerous conditions and limiting entry for developing providers.

Moreover, the Department is not only concerned with how SB 696 will impact its resources and cost, but is also concerned with the impact it will have on all agencies and the burden it will put on local governments, municipalities, school districts, universities, etc. There may be unintended side effects with contracts and programs that involve federal expenditures. Particularly if the funding is fixed and renegotiation results in increased, unplanned expenditures.

There is finally the matter of significant duplication of effort. Our standard IT Terms and Conditions (attachment A) already stipulate comprehensive provisions for data protection, encryption, attestations of compliance, notification of breach, etc. at the corporate and at the associate level. We draw your attention specifically to:

1. Section 29, Background Checks
2. Section 31, Confidentiality, Privacy and Compliance
3. Section 32, PCI Security Compliance
4. Section 33, Data Breach or Loss
5. Section 34, Insurance
6. Section 48, Contractor Hosted Security, Location, Status, and Disposition of Data
7. Section 52, Compliance with Laws
8. Section 56, Agency-Specific Sensitive and Confidential Data (if applicable)
9. Exhibit A – Commonwealth of Pennsylvania Business Associate Agreement (HIPAA Compliance)
10. Exhibit B – Requirements for Non-Commonwealth Hosted Applications/Services (section C. Data Storage defines current encryption requirements)

Similarly, Attachment B details our NON-IT standard terms and conditions. While not as specific as the IT terms and conditions, there already exists umbrella stipulations with regard to:

1. V.42, Background Checks
2. V.43, Confidentiality
3. V.44, Sensitive Information
4. V.45, HIPAA Compliance
5. V.46, Insurance

Given that these pre-existing protections are already a part of applicable contracts, we respectfully submit that the resources needed to conduct an enterprise-wide undertaking for

purposes of ensuring compliance with the retroactive provisions of the bill could be put to much better use.

The Department is interested in working with the legislature to adopt changes that will achieve the Legislatures' goals, and the goals of the Commonwealth, without causing significant hardship to the Department and to our agency procurement partners and suppliers.

### **Recommendation**

At a minimum, the Department recommends that SB 696: (1) in light of existing contract terms, not apply retroactively; (2) be limited in scope to service only (not goods or construction) contracts which can reasonably be identified as requiring access to PII/PHI data; and (3) include a threshold for which contracts it applies to.<sup>3</sup>

For these reasons, the Department of General Services opposes SB 696 as currently written. Thank you again for the opportunity to provide testimony on Senate Bill 696. I am happy to answer any questions you may have about my testimony.

<sup>3</sup> The Department recommends a threshold of \$1M.

## **CONTRACT INTEGRATION.**

Final contract. This Contract constitutes the final, complete, and exclusive Contract between the parties, containing all the terms and conditions agreed to by the parties.

Prior representations. All representations, understandings, promises, and agreements pertaining to the subject matter of this Contract made prior to or at the time this Contract is executed are superseded by this Contract.

Conditions precedent. There are no conditions precedent to the performance of this Contract except as expressly set forth herein.

Sole applicable terms. No contract terms or conditions are applicable to this Contract except as they are expressly set forth herein.

Other terms unenforceable. The Contractor may not require the Commonwealth or any user of the Services or Supplies acquired within the scope of this Contract to sign, click through, or in any other way agree to any terms associated with use of or interaction with those Services and/or Supplies, unless the Commonwealth has approved the terms in writing in advance under this Contract, and the terms are consistent with this Contract. Further, changes to terms may be accomplished only by processes set out in this Contract; no quotations, invoices, business forms or other documentation, or terms referred to therein, shall become part of this Contract merely by their submission to the Commonwealth or their ordinary use in meeting the requirements of this Contract. Any terms imposed upon the Commonwealth or a user in contravention of this subsection (e) must be removed at the direction of the Commonwealth and shall not be enforced or enforceable against the Commonwealth or the user.

## **PERIOD OF PERFORMANCE.**

The Contractor, for the term of this Contract, shall complete all Services and provide all Supplies as specified under the terms of this Contract. In no event shall the Commonwealth be responsible or liable to pay for any Services or Supplies provided by the Contractor prior to the Effective Date, and the Contractor hereby waives any claim or cause of action for any such Services or Supplies.

## **INDEPENDENT PRIME CONTRACTOR.**

Independent contractor. In performing its obligations under the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth.

Sole point of contact. The Contractor will be responsible for all Services and Supplies in this Contract whether or not Contractor provides them directly. Further, the Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

## **SUBCONTRACTS.**

The Contractor may subcontract any portion of the Services or Supplies described in this Contract to third parties selected by Contractor and approved in writing by the Commonwealth, whose approval shall not be unreasonably withheld. Notwithstanding the above, if Contractor has disclosed the identity of subcontractor(s) together with the scope of work to be subcontracted in its Proposal, award of the Contract is deemed approval of

all named subcontractors and a separate approval is not required. The existence of any subcontract shall not change the obligations of Contractor to the Commonwealth under this Contract. Upon request of the Commonwealth, the Contractor must provide the Commonwealth with an un-redacted copy of the subcontract agreement between the Contractor and the subcontractor. The Commonwealth reserves the right, for good cause, to require that the Contractor remove a subcontractor from the project. The Commonwealth will not be responsible for any costs incurred by the Contractor in replacing the subcontractor if good cause exists.

## **OTHER CONTRACTORS.**

The Commonwealth may undertake or award other contracts for additional or related work, and the Contractor shall fully cooperate with other contractors and Commonwealth employees and coordinate its Services and/or its provision of Supplies with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees. This section shall be included in the Contracts of all contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this section as to all contractors to prevent the imposition of unreasonable burdens on any contractor.

## **ENHANCED MINIMUM WAGE.**

Enhanced Minimum Wage. Contractor/Lessor agrees to pay no less than \$12.00 per hour to its employees for all hours worked directly performing the services called for in this Contract/Lease, and for an employee's hours performing ancillary services necessary for the performance of the contracted services or lease when such employee spends at least twenty per cent (20%) of their time performing ancillary services in a given work week.

Adjustment. Beginning July 1, 2019, and annually thereafter, the minimum wage rate shall be increased by \$0.50 until July 1, 2024, when the minimum wage reaches \$15.00. Thereafter, the minimum wage rate would be increased by an annual cost-of-living adjustment using the percentage change in the Consumer Price Index for All Urban Consumers (CPI-U) for Pennsylvania, New Jersey, Delaware, and Maryland. The applicable adjusted amount shall be published in the Pennsylvania Bulletin by March 1 of each year to be effective the following July 1.

Exceptions. These Enhanced Minimum Wage Provisions shall not apply to employees:

- (ix) exempt from the minimum wage under the Minimum Wage Act of 1968;
- (x) covered by a collective bargaining agreement;

- (xi) required to be paid a higher wage under another state or federal law governing the services, including the *Prevailing Wage Act* and Davis-Bacon Act; or
- (xii) required to be paid a higher wage under any state or local policy or ordinance.

Notice. Contractor/Lessor shall post these Enhanced Minimum Wage Provisions for the entire period of the contract conspicuously in easily-accessible and well-lighted places customarily frequented by employees at or near where the contracted services are performed.

Records. Contractor/Lessor must maintain and, upon request and within the time periods requested by the Commonwealth, furnish all employment and wage records necessary to document compliance with these Enhanced Minimum Wage Provisions.

Sanctions. Failure to comply with these Enhanced Minimum Wage Provisions may result in the imposition of sanctions, which may include, but shall not be limited to, termination of the contract or lease, nonpayment, debarment or referral to the Office of General Counsel for appropriate civil or criminal referral.

Subcontractors. Contractor/Lessor shall include the provisions of these Enhanced Minimum Wage Provisions in every subcontract so that these provisions will be binding upon each subcontractor.

## **COMPENSATION.**

General. The Contractor shall be required to perform at the price(s) quoted in the Contract. All items shall be performed within the time period(s) specified in the Contract. The Contractor shall be compensated only for items supplied and Services performed to the satisfaction of the Commonwealth.

Travel. The Contractor shall not be allowed or paid travel or per diem expenses except as specifically set forth in the Contract. If not otherwise specified in the Contract, travel and related expenses shall be reimbursed in accordance with [Management Directive 230.10 Amended](#), *Commonwealth Travel Policy*, and [Manual 230.1](#), *Commonwealth Travel Procedures Manual*.

## **BILLING REQUIREMENTS.**

Unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall include in all of its invoices the following minimum information:

- (xiii) Vendor name and “Remit to” address, including SAP Vendor number;

- (xiv) Bank routing information, if ACH;
- (xv) SAP Purchase Order number;
- (xvi) Delivery Address, including name of Commonwealth agency;
- (xvii) Description of the supplies/services delivered in accordance with SAP Purchase Order (include Purchase Order line number if possible);
- (xviii) Quantity provided;
- (xix) Unit price;
- (xx) Price extension;
- (xxi) Total price; and
- (xxii) Delivery date of supplies or services.

If an invoice does not contain the minimum information set forth in this section, and comply with the provisions located at <https://www.budget.pa.gov/Programs/Pages/E-Invoicing.aspx>, relating to the Commonwealth E-Invoicing Program, the Commonwealth may return the invoice as improper. If the Commonwealth returns an invoice as improper, the time for processing a payment will be suspended until the Commonwealth receives a correct invoice. The Contractor may not receive payment until the Commonwealth has received a correct invoice.

## **PAYMENT.**

Payment Date. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is:

- (xxiii) the date on which payment is due under the terms of the Contract;
- (xxiv) **thirty (30) days** after a proper invoice actually is received at the “Bill To” address if a date on which payment is due is not specified in the Contract (a “proper” invoice is not received until the Commonwealth accepts the service as satisfactorily performed); or
- (xxv) the payment date specified on the invoice if later than the dates established by [paragraphs \(a\)\(i\)](#) and [\(a\)\(ii\)](#), above.

Delay; Interest. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within **15**

**days** after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act of December 13, 1982, P.L. 1155, No. 266, 72 P. S. § 1507, (relating to interest penalties on Commonwealth accounts) and accompanying regulations 4 Pa. Code §§ 2.31—2.40 (relating to interest penalties for late payments to qualified small business concerns).

Payment should not be construed by the Contractor as acceptance of the Service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications.

### **ELECTRONIC PAYMENTS.**

The Commonwealth will make contract payments through the Automated Clearing House (ACH). Within **10 days** of award of the Contract, the Contractor must submit or must have already submitted its ACH information within its user profile in the Commonwealth's procurement system (SRM).

The Contractor must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth's ACH remittance advice to enable the Contractor to properly apply the state agency's payment to the invoice submitted.

It is the responsibility of the Contractor to ensure that the ACH information contained in SRM is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

### **ASSIGNABILITY.**

Subject to the terms and conditions of this section the Contract is binding upon the parties and their respective successors and assigns.

The Contractor may not assign, in whole or in part, the Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Commonwealth, which consent may be withheld at the sole and absolute discretion of the Commonwealth.

For the purposes of the Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, encumbrance, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.

Any assignment consented to by the Commonwealth shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the

assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.

Notwithstanding the foregoing, the Contractor may, without the consent of the Commonwealth, assign its rights to payment to be received under the Contract, provided that the Contractor provides written notice of such assignment to the Commonwealth together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of the Contract.

A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, is not considered to be an assignment. The Contractor shall give the Commonwealth written notice of any such change of name.

## **INSPECTION AND ACCEPTANCE.**

### Developed Works and Services.

- (xxvi) *Acceptance.* Acceptance of any Developed Work or Service will occur in accordance with an acceptance plan (Acceptance Plan) submitted by the Contractor and approved by the Commonwealth. Upon approval of the Acceptance Plan by the Commonwealth, the Acceptance Plan becomes part of this Contract.
- (xxvii) *Software Acceptance Test Plan.* For contracts where the development of Software, the configuration of Software or the modification of Software is being inspected and accepted, the Acceptance Plan must include a Software Acceptance Test Plan. The Software Acceptance Test Plan will provide for a final acceptance test, and may provide for interim acceptance tests. Each acceptance test will be designed to demonstrate that the Software conforms to the functional specifications, if any, and the requirements of this Contract. The Contractor shall notify the Commonwealth when the Software is completed and ready for acceptance testing. The Commonwealth will not unreasonably delay commencement of acceptance testing.
- (xxviii) If software integration is required at the end of the project, as set out in the Solicitation, the Commonwealth's acceptance of the Software shall be final unless at the time of final acceptance, the Software does not meet the acceptance criteria set forth in the Contract.
- (xxix) If software integration is not required at the end of the project, as set out in the Solicitation, the Commonwealth's acceptance of the Software shall be complete and final.

(xxx) *Certification of Completion.* The Contractor shall certify, in writing, to the Commonwealth when an item in the Acceptance Plan is completed and ready for acceptance. Unless otherwise agreed to by the Commonwealth in the Acceptance Plan, the acceptance period shall be **10 business days** for interim items and **30 business days** for final items. Following receipt of the Contractor's certification of completion of an item, the Commonwealth shall, either:

- (1) Provide the Contractor with Commonwealth's written acceptance of the work product; or
- (2) Identify to the Contractor, in writing, the failure of the work product to comply with the specifications, listing all such errors and omissions with reasonable detail.

(xxxi) *Deemed Acceptance.* If the Commonwealth fails to notify the Contractor in writing of any failures in the work product within the applicable acceptance period, the work product shall be deemed accepted.

(xxxii) *Correction upon Rejection.* Upon the Contractor's receipt of the Commonwealth's written notice of rejection, which must identify the reasons for the failure of the work product to comply with the specifications, the Contractor shall have **15 business days**, or such other time as the Commonwealth and the Contractor may agree is reasonable, within which to correct all such failures, and resubmit the corrected item, certifying to the Commonwealth, in writing, that the failures have been corrected, and that the items have been brought into compliance with the specifications. Upon receipt of such corrected and resubmitted items and certification, the Commonwealth shall have **30 business days** to test the corrected items to confirm that they are in compliance with the specifications. If the corrected items are in compliance with the specifications, then the Commonwealth shall provide the Contractor with its acceptance of the items in the completed milestone.

(xxxiii) *Options upon Continued Failure.* If, in the opinion of the Commonwealth, the corrected items still contain material failures, the Commonwealth may either:

- (1) Repeat the procedure set forth above; or
- (2) Proceed with its rights under **Section 28, Termination**, except that the cure period set forth in **Subsection 28(c)** may be exercised in the Commonwealth's sole discretion.

Supplies.

(xxxiv) *Inspection prior to Acceptance.* No Supplies received by the Commonwealth shall be deemed accepted until the Commonwealth has had a reasonable opportunity to inspect the Supplies.

(xxxv) *Defective Supplies.* Any Supplies discovered to be defective or that fail to conform to the specifications may be rejected upon initial inspection or at any later time if the defects contained in the Supplies or the noncompliance with the specifications were not reasonably ascertainable upon the initial inspection.

- (1) The Contractor shall remove rejected item(s) from the premises without expense to the Commonwealth within **15 days** after notification.
- (2) Rejected Supplies left longer than **30 days** will be regarded as abandoned, and the Commonwealth shall have the right to dispose of them as its own property and shall retain that portion of the proceeds of any sale which represents the Commonwealth's costs and expenses in regard to the storage and sale of the Supplies.
- (3) Upon notice of rejection, the Contractor shall immediately replace all such rejected Supplies with others conforming to the specifications and which are not defective. If the Contractor fails, neglects or refuses to do so, the Commonwealth may procure, in such manner as it determines, supplies similar or identical to the those that Contractor failed, neglected or refused to replace, and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated in the Contract and the cost thereof to the Commonwealth.

## **DEFAULT.**

The Commonwealth may, subject to the provisions of **Section 25, Notice of Delays**, and **Section 66, Force Majeure**, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in **Section 28, Termination**) the whole or any part of this Contract for any of the following reasons:

(xxxvi) Failure to begin Services within the time specified in the Contract or as otherwise specified;

(xxxvii) Failure to perform the Services with sufficient labor, equipment, or material to insure the completion of the specified Services in accordance with the Contract terms;

(xxxviii) Unsatisfactory performance of the Services;

- (xxxix) Failure to meet requirements within the time periods(s) specified in the Contract;
- (xl) Multiple failures over time of a single service level agreement or a pattern of failure over time of multiple service level agreements;
- (xli) Failure to provide a Supply or Service that conforms with the specifications referenced in the Contract;
- (xlii) Failure or refusal to remove material, or remove, replace or correct any Supply rejected as defective or noncompliant;
- (xliii) Discontinuance of Services without approval;
- (xliv) Failure to resume a Service, which has been discontinued, within a reasonable time after notice to do so;
- (xlv) Insolvency;
- (xlvi) Assignment made for the benefit of creditors;
- (xlvii) Failure or refusal, within **10 days** after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due subcontractors for materials furnished, labor supplied or performed, for equipment rentals or for utility services rendered;
- (xlviii) Failure to protect, repair or make good any damage or injury to property;
- (xlix) Breach of any provision of this Contract;
- (l) Any breach by Contractor of the security standards or procedures of this Contract;
- (li) Failure to comply with representations made in the Contractor's Proposal;  
or
- (lii) Failure to comply with applicable industry standards, customs and practice.

#### **NOTICE OF DELAYS.**

Whenever the Contractor encounters any difficulty that delays or threatens to delay the timely performance of this Contract (including actual or potential labor disputes), the Contractor shall promptly give notice thereof in writing to the Commonwealth stating all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the

Commonwealth of any rights or remedies to which it is entitled by law or pursuant to provisions of this Contract. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay. If an extension of the delivery schedule is granted, it will be done consistent with [Section 27, Changes](#).

## **CONDUCT OF SERVICES.**

Following the Effective Date of the Contract, Contractor shall proceed diligently with all Services and shall perform such Services with qualified personnel, in accordance with the completion criteria set forth in the Contract.

In determining whether the Contractor has performed with due diligence under the Contract, it is agreed and understood that the Commonwealth may measure the amount and quality of the Contractor's effort against the representations made in the Contractor's Proposal. The Contractor's Services hereunder shall be monitored by the Commonwealth and the Commonwealth's designated representatives. If the Commonwealth reasonably determines that the Contractor has not performed with due diligence, the Commonwealth and the Contractor will attempt to reach agreement with respect to such matter. Failure of the Commonwealth or the Contractor to arrive at such mutual determinations shall be a dispute concerning a question of fact within the meaning of [Section 30, Contract Controversies](#).

## **CHANGES.**

At any time during the performance of the Contract, the Commonwealth or the Contractor may request a change to the Contract. Contractor will make reasonable efforts to investigate the impact of the change request on the price, timetable, specifications, and other terms and conditions of the Contract. If the Commonwealth is the requestor of the change, the Contractor will inform the Commonwealth of any charges for investigating the change request prior to incurring such charges. If the Commonwealth and the Contractor agree on the results of the investigation and any necessary changes to the Contract, the parties must complete and execute a change order to modify the Contract and implement the change. The change order will be evidenced by a writing in accordance with the Commonwealth's change order procedures. No work may begin on the change order until the Contractor has received the executed change order. If the parties are not able to agree upon the results of the investigation or the necessary changes to the Contract, a Commonwealth-initiated change request will be implemented at Commonwealth's option and the Contractor shall perform the Services; and either party may elect to have the matter treated as a dispute between the parties under [Section 30, Contract Controversies](#). During the pendency of any such dispute, Commonwealth shall pay to Contractor any undisputed amounts.

Changes outside the scope of this Contract shall be accomplished through the Commonwealth's procurement procedures, and may result in an amended Contract

or a new contract. No payment will be made for services outside of the scope of the Contract for which no amendment has been executed.

## **TERMINATION.**

### For Convenience.

- (lii) The Commonwealth may terminate the Contract, or a Purchase Order issued against the Contract, in whole or in part, without cause by giving Contractor **30 days'** prior written notice (Notice of Termination) whenever the Commonwealth shall determine that such termination is in the best interest of the Commonwealth (Termination for Convenience). Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance under this Contract is terminated either in whole or in part and the date on which such termination becomes effective.

In the event of termination hereunder, Contractor shall receive payment for the following:

- (1) all Services performed consistent with the terms of the Contract prior to the effective date of termination;
- (2) all actual and reasonable costs incurred by Contractor as a result of the termination of the Contract; and

In no event shall the Contractor be paid for any loss of anticipated profit (by the Contractor or any subcontractor), loss of use of money, or administrative or overhead costs.

Failure to agree on any termination costs shall be a dispute handled in accordance with **Section 30, Contract Controversies**, of this Contract.

- (liv) The Contractor shall cease Services as of the date set forth in the Notice of Termination, and shall be paid only for such Services as have already been satisfactorily rendered up to and including the termination date set forth in said notice, or as may be otherwise provided for in said Notice of Termination, and for such Services performed during the **30-day** notice period, if such Services are requested by the Commonwealth, for the collection, assembling, and transmitting to the Commonwealth of at least all materials, manuals, magnetic media, studies, drawings, computations, maps, supplies, and survey notes including field books, which were obtained, prepared, or developed as part of the Services required under this Contract.

- (lv) The above shall not be deemed to limit the Commonwealth's right to terminate this Contract for any reason as permitted by the other provisions of this Contract, or under applicable law.

Non-Appropriation. Any payment obligation or portion thereof of the Commonwealth created by this Contract is conditioned upon the availability and appropriation of funds. When funds (state or federal) are not appropriated or otherwise made available to support continuation of performance or full performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract in whole or in part. The Contractor shall be reimbursed in the same manner as that described in [subsection \(a\)](#) to the extent that appropriated funds are available.

Default. The Commonwealth may, in addition to its other rights under this Contract, terminate this Contract in whole or in part by providing written notice of default to the Contractor if the Contractor materially fails to perform its obligations under the Contract and does not cure such failure within **30 days**, or if a cure within such period is not practical, commence a good faith effort to cure such failure to perform within the specified period or such longer period as the Commonwealth may specify in the written notice specifying such failure, and diligently and continuously proceed to complete the cure. The Contracting Officer shall provide any notice of default or written cure notice for Contract terminations.

- (lvi) Subject to [Section 38, Limitation of Liability](#), in the event the Commonwealth terminates this Contract in whole or in part as provided in this subsection (c), the Commonwealth may procure services similar to those so terminated, and the Contractor, in addition to liability for any liquidated damages, shall be liable to the Commonwealth for the difference between the Contract price for the terminated portion of the Services and the actual and reasonable cost (but in no event greater than the fair market value) of producing substitute equivalent services for the terminated Services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this section.
- (lvii) Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control of the Contractor. Such causes may include, but are not limited to, acts of God or of the public enemy, fires, floods, epidemics, quarantine restrictions, strikes, work stoppages, freight embargoes, acts of terrorism and unusually severe weather. The Contractor shall notify the Contracting Officer promptly in writing of its inability to perform because of a cause beyond the control of the Contractor.
- (lviii) Nothing in this subsection (c) shall abridge the Commonwealth's right to suspend, debar or take other administrative action against the Contractor.

- (lix) If it is later determined that the Commonwealth erred in terminating the Contract for default, then the Contract shall be deemed to have been terminated for convenience under [subsection \(a\)](#).
- (lx) If this Contract is terminated as provided by this subsection (c), the Commonwealth may, in addition to any other rights provided in this subsection (c), and subject law and to other applicable provisions of this Contract, require the Contractor to deliver to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such Software, Data, Developed Works, Documentation and other materials as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract as has been terminated.

The rights and remedies of the Commonwealth provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

The Commonwealth's failure to exercise any rights or remedies provided in this section shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.

Following exhaustion of the Contractor's administrative remedies as set forth in [Section 30, Contract Controversies](#), the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

## **BACKGROUND CHECKS.**

The Contractor, at its expense, must arrange for a background check for each of its employees, as well as the employees of any of its subcontractors, who will have access to Commonwealth Data or Commonwealth facilities (including leased facilities or facilities owned by third parties but utilized by the Commonwealth), either through on-site access or through remote access. Background checks are to be conducted via the Request for Criminal Record Check form and procedure found at <https://www.psp.pa.gov/Pages/Criminal-History-Background-Check.aspx>. The background check must be conducted prior to initial access and on an annual basis thereafter.

Before the Commonwealth will permit access to the Contractor, the Contractor must provide written confirmation that the background checks have been conducted. If, at any time, it is discovered that an employee of the Contractor or an employee of a subcontractor of the Contractor has a criminal record that includes a felony or misdemeanor involving terroristic behavior, violence, use of a lethal weapon, or breach of trust/fiduciary responsibility or which raises concerns about building, system or personal security or is otherwise job-related, the Contractor shall not assign that employee to any Commonwealth facilities, shall remove any access privileges already given to the employee and shall not permit that employee remote

access unless the Commonwealth consents to the access, in writing, prior to the access. The Commonwealth may withhold its consent in its sole discretion. Failure of the Contractor to comply with the terms of this section on more than one occasion or Contractor's failure to cure any single failure to the satisfaction of the Commonwealth may result in the Contractor being deemed in default of its Contract.

The Commonwealth specifically reserves the right of the Commonwealth to conduct or require background checks over and above that described herein.

## **CONTRACT CONTROVERSIES.**

Pursuant to Section 1712.1 of the *Commonwealth Procurement Code*, 62 Pa. C.S. § 1712.1, in the event of a claim arising from the Contract or a purchase order, the Contractor, within **six (6) months** after the cause of action accrues, must file a written claim with the Contracting Officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. At the time the claim is filed, or within **60 days** thereafter, either party may request mediation through the Commonwealth Office of General Counsel Dispute Resolution Program, <https://www.ogc.pa.gov/Services%20to%20Agencies/Mediation%20Procedures/Pages/default.aspx>.

If the Contractor or the Contracting Officer requests mediation, and the other party agrees, the Contracting Officer shall promptly make arrangements for mediation. Mediation shall be scheduled so as to not delay the issuance of the final determination beyond the required **120 days** after receipt of the claim if mediation is unsuccessful. If mediation is not agreed to or if resolution is not reached through mediation, the Contracting Officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within **120 days** of the receipt of the claim, unless extended by consent of the Contracting Officer and the Contractor. The Contracting Officer shall send his/her written determination to the Contractor. If the Contracting Officer fails to issue a final determination within the **120 days** (unless extended by consent of the parties), the claim shall be deemed denied. The Contracting Officer's determination shall be the final order of the purchasing agency.

Within **15 days** of the mailing date of the determination denying a claim or within **135 days** of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract or Purchase Order in a manner consistent with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract or Purchase Order.

## **CONFIDENTIALITY, PRIVACY AND COMPLIANCE.**

General. The Contractor agrees to protect the confidentiality of the Commonwealth's confidential information. The Commonwealth agrees to protect the confidentiality of Contractor's confidential information. Unless the context otherwise clearly indicates the need for confidentiality, information is deemed confidential only when the party claiming confidentiality designates the information as "confidential" in such a way as to give notice to the other party (for example, notice may be communicated by describing the information, and the specifications around its use or disclosure, in the Solicitation or in the Proposal). Neither party may assert that information owned by the other party is such party's confidential information. Notwithstanding the foregoing, all Data provided by, or collected, processed, or created on behalf of the Commonwealth is Confidential Information unless otherwise indicated in writing.

Copying; Disclosure; Termination. The parties agree that confidential information shall not be copied, in whole or in part, or used or disclosed except when essential for authorized activities under this Contract and, in the case of disclosure, where the recipient of the confidential information has agreed to be bound by confidentiality requirements no less restrictive than those set forth herein. Each copy of confidential information shall be marked by the party making the copy with any notices appearing in the original. Upon expiration or termination of this Contract or any license granted hereunder, the receiving party will return to the disclosing party, or certify as to the destruction of, all confidential information in the receiving party's possession, other than one copy (where permitted by law or regulation), which may be maintained for archival purposes only, and which will remain subject to this Contract's security, privacy, data retention/destruction and confidentiality provisions. A material breach of these requirements may result in termination for default pursuant to **Subsection 28(c)**, in addition to other remedies available to the non-breaching party.

Insofar as information is not otherwise protected by law or regulation, the obligations stated in this section do not apply to information:

- (lxi) already known to the recipient at the time of disclosure other than through the contractual relationship;
- (lxii) independently generated by the recipient and not derived from the information supplied by the disclosing party;
- (lxiii) known or available to the public, except where such knowledge or availability is the result of unauthorized disclosure by the recipient of the proprietary information;

- (lxiv) disclosed to the recipient without a similar restriction by a third party who has the right to make such disclosure; or
- (lxv) required to be disclosed by the recipient by law, regulation, court order, or other legal process.

There shall be no restriction with respect to the use or disclosure of any ideas, concepts, know-how or data processing techniques developed alone or jointly with the Commonwealth in connection with services provided to the Commonwealth under this Contract.

The Contractor shall use the following process when submitting information to the Commonwealth it believes to be confidential and/or proprietary information or trade secrets:

- (lxvi) Prepare and submit an un-redacted version of the appropriate document;
- (lxvii) Prepare and submit a redacted version of the document that redacts the information that is asserted to be confidential or proprietary information or a trade secret. The Contractor shall use a redaction program that ensures the information is permanently and irreversibly redacted; and
- (lxviii) Prepare and submit a signed written statement that identifies confidential or proprietary information or trade secrets and that states:
  - (1) the attached material contains confidential or proprietary information or trade secrets;
  - (2) the Contractor is submitting the material in both redacted and un-redacted format, if possible, in accordance with 65 P.S. § 67.707(b); and
  - (3) the Contractor is requesting that the material be considered exempt under 65 P.S. § 67.708(b)(11) from public records requests.

Disclosure of Recipient or Beneficiary Information Prohibited. The Contractor shall not use or disclose any information about a recipient receiving services from, or otherwise enrolled in, a Commonwealth program affected by or benefiting from Services under the Contract for any purpose not connected with the Contractor's responsibilities, except with consent pursuant to applicable law or regulations. All material associated with direct disclosures of this kind (including the disclosed information) shall be provided to the Commonwealth prior to the direct disclosure.

Compliance with Laws. Contractor will comply with all applicable laws or regulations related to the use and disclosure of information, including information that constitutes Protected Health Information (PHI) as defined by the *Health Insurance*

*Portability and Accountability Act (HIPAA).* It is understood that **Exhibit A, Commonwealth of Pennsylvania Business Associate Agreement**, is only applicable if and to the extent indicated in the Contract.

Additional Provisions. Additional privacy and confidentiality requirements may be specified in the Contract.

Restrictions on Use. All Data and all intellectual property provided to the Contractor pursuant to this Contract or collected or generated by the Contractor on behalf of the Commonwealth pursuant to this Contract shall be used only for the work of this Contract. No Data, intellectual property, Documentation or Developed Works may be used, disclosed, or otherwise opened for access by or to the Contractor or any third party unless directly related to and necessary under the Contract.

## **PCI SECURITY COMPLIANCE.**

General. By providing the Services under this Contract, the Contractor may create, receive, or have access to credit card records or record systems containing cardholder data including credit card numbers (collectively the “Cardholder Data”). Contractor shall comply with the Payment Card Industry Data Security Standard (“PCI DSS”) requirements for Cardholder Data that are prescribed by the payment brands (including, but not limited to, Visa, MasterCard, American Express, and Discover), as they may be amended from time to time. The Contractor acknowledges and agrees that Cardholder Data may only be used for assisting in completing a card transaction, for fraud control services, for loyalty programs, or as specifically agreed to by the payment brands, for purposes of this Contract or as required by applicable law or regulations.

Compliance with Standards. The Contractor shall conform to and comply with the PCI DSS standards as defined by The PCI Security Standards Council at: [https://www.pcisecuritystandards.org/security\\_standards/index.php](https://www.pcisecuritystandards.org/security_standards/index.php). The Contractor shall monitor these PCI DSS standards and will promptly notify the Commonwealth if its practices should not conform to such standards. The Contractor shall provide a letter of certification to attest to meeting this requirement within **seven (7) days** of the Contractor’s receipt of the annual PCI DSS compliance report.

## **DATA BREACH OR LOSS.**

The Contractor shall comply with all applicable data protection, data security, data privacy and data breach notification laws, including but not limited to the *Breach of Personal Information Notification Act*, Act of December 22, 2005, P.L. 474, No. 94, as amended, 73 P.S. §§ 2301—2329.

For Data and Confidential Information in the possession, custody, and control of the Contractor or its employees, agents, and/or subcontractors:

- (lxxix) The Contractor shall report unauthorized access, use, release, loss, destruction or disclosure of Data or Confidential Information (“Incident”) to the Commonwealth within **one (1) hour** of when the Contractor knows of or reasonably suspects such Incident, and the Contractor must immediately take all reasonable steps to mitigate any potential harm or further access, use, release, loss, destruction or disclosure of such Data or Confidential Information.
- (lxxx) The Contractor shall provide timely notice to all individuals that may require notice under any applicable law or regulation as a result of an Incident. The notice must be pre-approved by the Commonwealth. At the Commonwealth’s request, Contractor shall, at its sole expense, provide credit monitoring services to all individuals that may be impacted by any Incident requiring notice.
- (lxxxi) The Contractor shall be solely responsible for any costs, losses, fines, or damages incurred by the Commonwealth due to Incidents.

As to Data and Confidential Information fully or partially in the possession, custody, or control of the Contractor and the Commonwealth, the Contractor shall diligently perform all of the duties required in this section in cooperation with the Commonwealth, until the time at which a determination of responsibility for the Incident, and for subsequent action regarding the Incident, is made final.

## **INSURANCE.**

General. Unless otherwise indicated in the Solicitation, the Contractor shall maintain at its expense and require its agents, contractors and subcontractors to procure and maintain, as appropriate, the following types and amounts of insurance, issued by companies acceptable to the Commonwealth and authorized to conduct such business under the laws of the Commonwealth:

- (lxxxii) Workers’ Compensation Insurance for all of the Contractor’s employees and those of any subcontractor engaged in performing Services in accordance with the *Workers’ Compensation Act*, Act of June 2, 1915, P.L. 736, No. 338, reenacted and amended June 21, 1939, P.L. 520, No. 281, as amended, 77 P.S. §§ 1—2708.
- (lxxxiii) Commercial general liability insurance providing coverage from claims for damages for personal injury, death and property of others, including loss of use resulting from any property damage which may arise from its operations under this Contract, whether such operation be by the Contractor, by any agent, contractor or subcontractor, or by anyone directly or indirectly employed by either. The limits of such insurance shall be in an amount not less than **\$500,000** per person and **\$2,000,000** per occurrence, personal

injury and property damage combined. Such policies shall be occurrence based rather than claims-made policies and shall name the Commonwealth of Pennsylvania as an additional insured, as its interests may appear. The insurance shall not contain any endorsements or any other form designed to limit and restrict any action by the Commonwealth as an additional insured against the insurance coverages in regard to the Services performed for or Supplies provided to the Commonwealth.

- (lxxiv) Professional and Technology-Based Services Liability Insurance (insuring against damages and claim expenses as a result of claims arising from any actual or alleged wrongful acts in performing cyber and technology activities) in the amount of **\$2,000,000**, per accident/occurrence/annual aggregate.

- (lxxvii) Completed Operations Insurance in the amount of **\$2,000,000**, per accident/occurrence/annual aggregate, covering the Contractor, its employees, agents, contractors, and subcontractors in the performance of all services.
- (lxxviii) Comprehensive crime insurance in an amount of not less than **\$5,000,000** per claim.

Certificate of Insurance. Prior to commencing Services under the Contract, and annually thereafter, the Contractor shall provide the Commonwealth with a copy of each current certificate of insurance required by this section. These certificates shall contain a provision that coverages afforded under the policies will not be canceled or changed in such a way to cause the coverage to fail to comply with the requirements of this section until at least **15 days'** prior written notice has been given to the Commonwealth. Such cancellation or change shall not relieve the Contractor of its continuing obligation to maintain insurance coverage in accordance with this section.

Insurance coverage length. The Contractor agrees to maintain such insurance for the latter of the life of the Contract, or the life of any Purchase Orders issued under the Contract.

## **CONTRACTOR RESPONSIBILITY PROGRAM.**

For the purpose of these provisions, the term Contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, Supplies, Services, leased space, construction or other activity, under a contract, grant, lease, Purchase Order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). The term Contractor includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.

The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.

The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.

The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within **15 days** of the date of suspension or debarment.

The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.

The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of

investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by visiting the eMarketplace website at <http://www.emarketplace.state.pa.us> and clicking the Debarment List tab

#### **OFFSET PROVISION FOR COMMONWEALTH CONTRACTS.**

The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.

#### **TAXES-FEDERAL, STATE AND LOCAL.**

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax-free purchases under registration No. 23-7400001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas-guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania sales tax, local sales tax, public transportation assistance taxes, and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this section is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

#### **LIMITATION OF LIABILITY.**

General. The Contractor's liability to the Commonwealth under this Contract shall be limited to the greater of **\$250,000** or the value of this Contract (including any amendments). This limitation will apply, except as otherwise stated in this section, regardless of the form of action, whether in contract or in tort, including negligence. This limitation does not, however, apply to any damages:

(lxxix) for bodily injury;

(lxxx) for death;

(lxxxii) for gross negligence or intentional or willful misconduct;

(lxxxii) for damage to real property or tangible personal property for which the Contractor is legally liable;

(lxxxiii) under **Section 42, Patent, Copyright, Trademark and Trade Secret Protection**;

(lxxxiv) under **Section 33, Data Breach or Loss**; or

(lxxxv) under **Section 41, Virus, Malicious, Mischievous or Destructive Programming**.

The Contractor will not be liable for consequential or incidental damages, except for damages as set forth in **paragraphs (a)(i)—(vii)** above, or as otherwise specified in the Contract.

#### **COMMONWEALTH HELD HARMLESS.**

The Contractor shall indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract, provided the Commonwealth gives Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act*, Act of October 15, 1980, P.L. 950, No. 164, as amended, 71 P.S. § 732-101—732-506, the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits.

Notwithstanding the above, neither party shall enter into any settlement without the other party's written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor to control the defense and any related settlement negotiations.

#### **SOVEREIGN IMMUNITY.**

No provision of this Contract may be construed to waive or limit the sovereign immunity of the Commonwealth of Pennsylvania or its governmental sub-units.

#### **VIRUS, MALICIOUS, MISCHIEVOUS OR DESTRUCTIVE PROGRAMMING.**

The Contractor shall be liable for any damages incurred by the Commonwealth if the Contractor or any of its employees, subcontractors or consultants introduces a virus or malicious, mischievous or destructive programming into the Commonwealth's software or computer networks and has failed to comply with the Commonwealth software security standards. The Commonwealth must demonstrate that the

Contractor or any of its employees, subcontractors or consultants introduced the virus or malicious, mischievous or destructive programming. The Contractor's liability shall cease if the Commonwealth has not fully complied with its own software security standards.

The Contractor shall be liable for any damages incurred by the Commonwealth including, but not limited to, the expenditure of Commonwealth funds to eliminate or remove a computer virus or malicious, mischievous or destructive programming that results from the Contractor's failure to take proactive measures to keep virus or malicious, mischievous or destructive programming from originating from the Contractor or any of its employees, subcontractors or consultants through appropriate firewalls and maintenance of anti-virus software and software security updates (such as operating systems security patches, etc.).

In the event of destruction or modification of Software, the Contractor shall eliminate the virus, malicious, mischievous or destructive programming, restore the Commonwealth's software, and be liable to the Commonwealth for any resulting damages.

The Contractor shall be responsible for reviewing Commonwealth software security standards and complying with those standards.

The Commonwealth may, at any time, audit, by a means deemed appropriate by the Commonwealth, any computing devices being used by representatives of the Contractor to provide Services to the Commonwealth for the sole purpose of determining whether those devices have anti-virus software with current virus signature files and the current minimum operating system patches or workarounds have been installed. Devices found to be out of compliance will immediately be disconnected and will not be permitted to connect or reconnect to the Commonwealth network until the proper installations have been made.

The Contractor may use the anti-virus software used by the Commonwealth to protect Contractor's computing devices used in the course of providing services to the Commonwealth. It is understood that the Contractor may not install the software on any computing device not being used to provide services to the Commonwealth, and that all copies of the software will be removed from all devices upon termination of this Contract.

The Commonwealth will not be responsible for any damages to the Contractor's computers, data, software, etc. caused as a result of the installation of the Commonwealth's anti-virus software or monitoring software on the Contractor's computers.

**PATENT, COPYRIGHT, TRADEMARK AND TRADE SECRET PROTECTION.**

The Contractor shall hold the Commonwealth harmless from any suit or proceeding which may be brought by a third party against the Commonwealth, its departments, officers or employees for the alleged infringement of any United States or foreign patents, copyrights, trademarks or trade dress, or for a misappropriation of trade secrets arising out of performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by the Contractor, and in any such suit or proceeding will satisfy any final award for such infringement, including costs. The Commonwealth agrees to give Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act*, Act of October 15, 1980, P.L. 950, No. 164, as amended, 71 P.S. § 732-101—732-506, the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG, however, in its sole discretion and under the terms it deems appropriate, may delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits. No settlement that prevents the Commonwealth from continuing to use the Developed Works as provided herein shall be made without the Commonwealth's prior written consent. In all events, the Commonwealth shall have the right to participate in the defense of any such suit or proceeding through counsel of its own choosing. It is expressly agreed by the Contractor that, in the event it requests that the Commonwealth provide support to the Contractor in defending any such claim, the Contractor shall reimburse the Commonwealth for all expenses (including attorneys' fees, if such are made necessary by the Contractor's request) incurred by the Commonwealth for such support. If OAG does not delegate the defense of the matter, the Contractor's obligation to indemnify ceases. The Contractor, at its expense, will provide whatever cooperation OAG requests in the defense of the suit.

The Contractor agrees to exercise reasonable due diligence to prevent claims of infringement on the rights of third parties. The Contractor certifies that, in all respects applicable to this Contract, it has exercised and will continue to exercise due diligence to ensure that all works produced under this Contract do not infringe on the patents, copyrights, trademarks, trade dress, trade secrets or other proprietary interests of any kind which may be held by third parties. The Contractor also agrees to certify that work produced for the Commonwealth under this contract shall be free and clear from all claims of any nature.

If the defense of the suit is delegated to the Contractor, the Contractor shall pay all damages and costs awarded therein against the Commonwealth. If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization.

If, in the Contractor's opinion, the products, materials, reports, studies, or computer programs furnished hereunder are likely to or do become subject to a claim of infringement of a United States patent, copyright, trademark or trade dress, or for a

misappropriation of trade secret, then without diminishing the Contractor's obligation to satisfy any final award, the Contractor may, at its option and expense:

- (lxxxvi) substitute functional equivalents for the alleged infringing products, materials, reports, studies, or computer programs; or
- (lxxxvii) obtain the rights for the Commonwealth to continue the use of such products, materials, reports, studies, or computer programs.

If any of the products, materials, reports, studies, or computer programs provided by the Contractor are in such suit or proceeding held to constitute infringement and the use or publication thereof is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to publish or continue use of such infringing products, materials, reports, studies, or computer programs, replace them with non-infringing items, or modify them so that they are no longer infringing.

If the Contractor is unable to do any of the preceding, the Contractor agrees to pay the Commonwealth:

- (lxxxviii) any amounts paid by the Commonwealth less a reasonable amount based on the acceptance and use of the deliverable;
- (lxxxix) any license fee less an amount for the period of usage of any software; and
- (xc) the prorated portion of any service fees representing the time remaining in any period of service for which payment was made.

Notwithstanding the above, the Contractor shall have no obligation for:

- (xci) modification of any product, service, or deliverable provided by the Commonwealth;
- (xcii) any material provided by the Commonwealth to the Contractor and incorporated into, or used to prepare, a product, service, or deliverable;
- (xciii) use of the product, service, or deliverable in other than its specified operating environment;
- (xciv) the combination, operation, or use of the product, service, or deliverable with other products, services, or deliverables not provided by the Contractor as a system or the combination, operation, or use of the product, service, or deliverable, with any products, data, or apparatus that the Contractor did not provide;
- (xcv) infringement of a non-Contractor product alone;

- (xcvi) the Commonwealth's distribution, marketing or use beyond the scope contemplated by the Contract; or
- (xcvii) the Commonwealth's failure to use corrections or enhancements made available to the Commonwealth by the Contractor at no charge.

The obligation to indemnify the Commonwealth, under the terms of this section, shall be the Contractor's sole and exclusive obligation for the infringement or misappropriation of intellectual property.

## **CONTRACT CONSTRUCTION.**

The provisions of this Contract shall be construed in accordance with the provisions of all applicable laws and regulations of the Commonwealth. However, by executing this Contract, the Contractor agrees that it has and will continue to abide by the intellectual property laws and regulations of the United States of America.

Contractor understands that its level of access may allow or require it to view or access highly sensitive and confidential Commonwealth and third party data. This data is subject to various state and federal laws, regulations and policies that vary from agency to agency, and from program to program within an agency. If applicable, prior to deployment of the Supplies or Services, the Contractor must receive and sign off on particular instructions and limitations as dictated by that Commonwealth agency, including but not limited to, as necessary, HIPAA Business Associate Agreements. This sign-off document, a sample of which is attached as **Exhibit C, Sample Sign-off Document**, will include a description of the nature of the data which may be implicated based on the nature of the Contractor's access, and will incorporate the Business Associate Agreement if it is applicable.

The Contractor hereby certifies and warrants that, after being informed by the Commonwealth agency of the nature of the data which may be implicated and prior to the deployment of the Supplies or Services, the Contractor is and shall remain compliant with all applicable state and federal laws, regulations and policies regarding the data's protection, and with the requirements memorialized in every completed and signed sign-off document. Every sign-off document completed by a Commonwealth agency and signed by at least one signatory authorized to bind the Contractor is valid and is hereby integrated and incorporated by reference into this Contract.

This section does not require a Commonwealth agency to exhaustively list the laws, regulations or policies to which implicated data is subject; the Commonwealth agency is obligated only to list the nature of the data implicated by the Contractor's

access, to refer the Contractor to its privacy and security policies, and to specify requirements that are not otherwise inherent in compliance with applicable laws, regulations and policies.

The requirements of this section are in addition to and not in lieu of other requirements of this Contract, its Exhibits, Appendices and Attachments, having to do with data privacy and security, including but not limited to the requirement that the Contractor comply with all applicable Commonwealth ITPs, which can be found at <https://www.oa.pa.gov/Policies/Pages/itp.aspx>.

This sign-off document, in addition to any applicable requirements of **Section 56, Agency-Specific Sensitive and Confidential Commonwealth Data**, will include a description of the required federal provisions, along with the applicable forms necessary for the Contractor and/or Software Licensor to execute, as necessary. Every sign-off document completed by a Commonwealth agency and signed by at least one signatory authorized to bind the Contractor is valid and is hereby integrated and incorporated by reference into this Contract. A sample sign-off document is attached to these Terms as **Exhibit C, Sample Sign-off Document**.

#### **ADDITIONAL FEDERAL PROVISIONS.**

Additional contract provisions may be incorporated into this Contract pursuant to federal law, regulation or policy.

#### **ENVIRONMENTAL PROTECTION.**

In carrying out this Contract, the Contractor shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations, including the *Clean Streams Law*, Act of June 22, 1937 (P.L. 1987, No. 394), as amended, 35 P.S. §§ 691.1—691.801; the *Solid Waste Management Act*, Act of July 7, 1980 (P.L. 380, No. 97), as amended, 35 P.S. §§ 6018.101—68.1003; and the *Dam Safety and Encroachment Act*, Act of November 26, 1978 (P.L. 1375, No. 325), as amended, 32 P.S. §§ 693.1—693.27.

#### **NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE.**

The Contractor agrees:

In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *Pennsylvania Human Relations Act (PHRA)* and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *PHRA* and applicable federal laws, against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract.

Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *PHRA* and applicable federal laws, in the provision of services under the contract.

Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the *Public Employee Relations Act, Pennsylvania Labor Relations Act* or *National Labor Relations Act*, as applicable and to the extent determined by entities charged with such Acts' enforcement, and shall comply with any provision of law establishing organizations as employees' exclusive representatives.

The Contractor and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees in writing of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contracted services are performed shall satisfy this requirement for employees with an established work site.

The Contractor and each subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of *PHRA* and applicable federal laws, against any subcontractor or supplier who is qualified to perform the work to which the contract relates.

The Contractor and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws, regulations and policies relating to nondiscrimination and sexual harassment. The Contractor and each subcontractor further represents that it has filed a Standard Form 100 Employer Information Report (“EEO-1”) with the U.S. Equal Employment Opportunity Commission (“EEOC”) and shall file an annual EEO-1 report with the EEOC as required for employers’ subject to *Title VII* of the *Civil Rights Act of 1964*, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Contractor and each subcontractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the contracting agency and the Bureau of Diversity, Inclusion and Small Business Opportunities for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.

The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.

The Contractor’s and each subcontractor’s obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor and each subcontractor shall have an obligation to inform the Commonwealth if, at any time during the term of the contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.

The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

(cxli) “*Non-bid Basis*” means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.

In furtherance of this policy, Contractor agrees to the following:

(cxlii) Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.

(cxliii) Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor

employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.

- (cxliv) Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.
- (cxlv) Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- (cxlvi) Contractor certifies to the best of its knowledge and belief that within the last **five (5) years** Contractor or Contractor Related Parties have not:
- (1) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
  - (2) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
  - (3) had any business license or professional license suspended or revoked;
  - (4) had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and
  - (5) been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification

cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract if becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

(cxlvii) Contractor shall comply with the requirements of the *Lobbying Disclosure Act* (65 Pa. C.S. § 13A01, et seq.) regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the Section 1641 of the *Pennsylvania Election Code* (25 P.S. § 3260a).

(cxlviii) When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.

(cxlix) Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

(cl) Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach

of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this subsection in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

- (cli) For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

#### **ASSIGNMENT OF RIGHTS UNDER THE ANTITRUST LAWS.**

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by Contractor's suppliers resulting from violations of state and federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of this Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all rights, title, and interest in and to any claims Contractor now has or may hereafter acquire under state and federal antitrust laws relating to the goods and services which are subject to this Contract.

#### **WARRANTIES.**

Except as otherwise set forth in the Contract, the Contractor warrants that the Services, Supplies and Developed Works will conform in all material respects to the functional specifications for the Services, Supplies and Developed Works and/or the requirements of the Contract. The warranty period for the Services, Supplies and Developed Works shall be **90 days** from final acceptance. If third-party Services, Supplies or Developed Works are subject to a warranty that exceeds **90 days** from final acceptance, the longer warranty

period shall apply. The Contractor shall correct any non-conformity within the warranty period specified herein.

Disruption. The Contractor hereby represents and warrants to the Commonwealth that the Contractor will not cause, or take any action that, directly or indirectly, may cause a disruption of the Commonwealth's operations.

Nonconformity. In the event of any nonconformity with the foregoing warranties, the Commonwealth will provide written notification of such nonconformity to the Contractor and the Contractor, at no cost to the Commonwealth, shall within **10 days'** notice of the nonconformity, commence work to remedy the nonconformity and shall work diligently, at no charge to the Commonwealth, until such time as the deliverable conforms, in all material respects, to the Service requirements and/or the functional specifications of the Developed Works set forth in this Contract. The Contractor shall have no obligation with respect to nonconformities arising out of:

- (clii) Modifications to Developed Works made by the Commonwealth;
- (cliii) Use of the Developed Works not in accordance with the documentation or specifications applicable thereto;
- (cliv) Failure by the Commonwealth to implement any corrections or enhancements made available by the Contractor;
- (clv) Combination of the Developed Works with any items not supplied or approved by the Contractor; or
- (clvi) Failure of any software licensed under a separate license agreement to conform to its specifications or documentation.

Industry standards. The Contractor hereby represents and warrants to the Commonwealth that the Services shall be performed in accordance with industry standards using the utmost care and skill.

Right to perform. The Contractor hereby represents and warrants to the Commonwealth that the Contractor has the necessary legal rights, including licenses to third party products, tools or materials, to perform the Services and deliver the Developed Works under this Contract.

Sole warranties. THE FOREGOING EXPRESS WARRANTIES ARE THE CONTRACTOR'S SOLE AND EXCLUSIVE WARRANTIES AND NO OTHER WARRANTIES, EXPRESS OR IMPLIED, SHALL APPLY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

## **LIQUIDATED DAMAGES.**

By accepting this Contract, the Contractor agrees to the delivery and acceptance requirements of this Contract. If a due date is not met, the delay will interfere with the Commonwealth's program. In the event of any such delay, it would be impractical and extremely difficult to establish the actual damage for which the Contractor is the material cause. The Commonwealth and the Contractor therefore agree that in the event of any such delay, the amount of damage shall be the amount set forth in this section, unless otherwise indicated in the Contract, and agree that the Contractor shall pay such amount as liquidated damages, not as a penalty. Such liquidated damages are in lieu of all other damages arising from such delay.

The amount of liquidated damages shall be as set out in the Solicitation. If not amount is set out in the Solicitation, the amount of liquidated damages for failure to meet a due date shall be three-tenths of a percent (.3%) of the price of the deliverable for each calendar day following the scheduled completion date. If the price of the deliverable associated with the missed due date is not identified, liquidated damages shall apply to the total value of the Contract. Liquidated damages shall be assessed each calendar day until the date on which the Contractor meets the requirements for the deliverable associated with the due date, up to a maximum of **30 days**. If indicated in the Contract, the Contractor may recoup all or some of the amount of liquidated damages assessed if the Contractor meets the final project completion date set out in the Contract.

If, at the end of the **30-day** period specified in [subsection \(b\)](#) above, the Contractor still has not met the requirements for the deliverable associated with the due date, then the Commonwealth, at no additional expense and at its option, may either:

(clvii) Immediately terminate the Contract in accordance with [Subsection 28\(c\)](#) and with no opportunity to cure; or

(clviii) Order the Contractor to continue with no decrease in effort until the work is completed in accordance with the Contract and accepted by the Commonwealth or until the Commonwealth terminates the Contract. If the Contract is continued, any liquidated damages will also continue until the work is completed.

At the end of a calendar month, or at such other time(s) as identified in the Contract, liquidated damages shall be paid by the Contractor and collected by the Commonwealth by:

(clix) Deducting the amount from the invoices submitted under this Contract or any other contract Contractor has with the Commonwealth;

(clx) Collecting the amount through the performance security, if any; or

(clxi) Billing the Contractor as a separate item.

## **SERVICE LEVELS.**

The Contractor shall comply with the procedures and requirements of the Service Level Agreements, if any, which are made part of this Contract.

Where there are expressly defined Service Levels, Contractor shall measure and report its performance against these standards on at least a monthly basis, except as may otherwise be agreed between the parties. Regardless of the presence or absence of expressly defined Service Levels, any failure to adequately or timely perform a Service may result in consequences under this Contract, up to and including Contract termination.

The Commonwealth's acceptance of any financial credit incurred by the Contractor in favor of the Commonwealth for a Service Level default ("Service Level Credit") shall not bar or impair Commonwealth's rights and remedies in respect of the failure or root cause as set forth elsewhere in this Contract, including without limitation other claims for liquidated damages, injunctive relief and termination rights; provided however, Service Level Credits paid would be credited against any such claims for damages.

## **FORCE MAJEURE.**

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within **five (5) days** and in writing within **10 days** of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect to cancel the Contract, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract.

#### **PUBLICITY/ADVERTISEMENT.**

The Contractor shall not issue news releases, internet postings, advertisements, endorsements, or any other public communication without prior written approval of the Commonwealth, and then only in coordination with the Commonwealth. This includes the use of any trademark or logo.

#### **TERMINATION ASSISTANCE.**

Upon the Commonwealth's request, Contractor shall provide termination assistance services (Termination Assistance Services) directly to the Commonwealth, or to any vendor designated by the Commonwealth. The Commonwealth may request termination assistance from the Contractor upon full or partial termination of the Contract and/or upon the expiration of the Contract term, including any renewal periods. Contractor shall take all necessary and appropriate actions to accomplish a complete, timely and seamless transition of any Services from Contractor to the Commonwealth, or to any vendor designated by the Commonwealth, without material interruption of or material adverse impact on the Services. Contractor shall cooperate with the Commonwealth and any new contractor and otherwise promptly take all steps required or reasonably requested to assist the Commonwealth in effecting a complete and timely transition of any Services.

Such Termination Assistance Services shall first be rendered using resources included within the fees for the Services, provided that the use of such resources shall not adversely impact the level of service provided to the Commonwealth; then by resources already included within the fees for the Services, to the extent that the Commonwealth permits the level of service to be relaxed; and finally, using additional resources at costs determined by the Parties via **Section 27, Changes**.

#### **NOTICE.**

Any written notice to any party under this Agreement shall be deemed sufficient if delivered personally, or by facsimile, telecopy, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.), with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, sent to the address such party may designate by notice given pursuant to this section.

#### ***RIGHT-TO-KNOW LAW.***

The Pennsylvania *Right-to-Know Law*, 65 P.S. §§ 67.101—3104, *as amended*, (“RTKL”) applies to this Contract. For the purpose of this section, the term “the Commonwealth” shall refer to the contracting Commonwealth organization.

If the Commonwealth needs the Contractor’s assistance in any matter arising out of the RTKL that is related to this Contract, it shall notify the Contractor using the legal contact information provided in this Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.

Upon written notification from the Commonwealth that it requires the Contractor’s assistance in responding to a request under the RTKL for information related to this Contract that may be in the Contractor’s possession, constituting, or alleged to constitute, a public record in accordance with the RTKL (“Requested Information”), the Contractor shall:

(clxii) Provide the Commonwealth, within **10 days** after receipt of written notification, access to, and copies of, any document or information in the Contractor’s possession arising out of this Contract that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and

(clxiii) Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Contract.

If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor must notify the Commonwealth and provide, within **seven (7) days** of receiving the written notification, a written statement signed by a representative of the Contractor explaining why the requested material is exempt from public disclosure under the RTKL.

The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within **five (5) business days** of receipt of written notification of the Commonwealth’s determination.

If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor’s failure, including any statutory damages assessed against the Commonwealth.

The Commonwealth will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the [RTKL](#) if the fee schedule is inapplicable.

The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the [RTKL](#).

The Contractor's duties relating to the [RTKL](#) are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

#### **GOVERNING LAW.**

This Contract shall be interpreted in accordance with and governed by the laws of the Commonwealth of Pennsylvania, without giving effect to its conflicts of law provisions. Except as set forth in [Section 30, Contract Controversies](#), Commonwealth and Contractor agree that the courts of the Commonwealth of Pennsylvania and the federal courts of the Middle District of Pennsylvania shall have exclusive jurisdiction over disputes under this Contract and the resolution thereof. Any legal action relating to this Contract must be brought in Dauphin County, Pennsylvania, and the parties agree that jurisdiction and venue in such courts is appropriate.

#### **CONTROLLING TERMS AND CONDITIONS.**

The terms and conditions of this Contract shall be the exclusive terms of agreement between the Contractor and the Commonwealth. Other terms and conditions or additional terms and conditions included or referenced in the Contractor's website, quotations, invoices, business forms, click-through agreements, or other documentation shall not become part of the parties' agreement and shall be disregarded by the parties, unenforceable by the Contractor, and not binding on the Commonwealth.

**POST-CONSUMER RECYCLED CONTENT; RECYCLED CONTENT ENFORCEMENT.**

Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified by the Environmental Protection Agency in its Comprehensive Procurement Guidelines, which can be found at <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

The Contractor may be required, after delivery of the Contract item(s), to provide the Commonwealth with documentary evidence that the item(s) was in fact produced with the required minimum percentage of post-consumer and recovered material content.

CONTRACT TERMS AND CONDITIONS**

**V.2 CONTRACT-002.1b Term of Contract – PO (July 2015)**

The term of the Contract created by the issuance of the Purchase Order (“PO”) shall commence (“Contract Effective Date”) on the Original PO Effective Date printed on the Purchase Order after the Purchase Order has been fully executed by the Commonwealth (signed and approved as required by Commonwealth contracting procedures and sent to the Contractor). If the Purchase Order output form does not have “Fully Executed” at the top of the first page and does not have the name of the Purchasing Agent printed in the appropriate box, the Purchase Order has not been fully executed. Subject to the other provisions of the Contract, the Contract shall end on the later of: a) complete delivery and acceptance of the awarded item(s); b) the expiration of any specified warranty and maintenance period; c) payment by the Commonwealth for the item(s) received; or d) any Expiration Date identified in the Purchase Order.

**V.3 CONTRACT-002.3 Extension of Contract Term (Nov 30 2006)**

The Commonwealth reserves the right, upon written notice to the Contractor, to extend any single term of the Contract for up to three (3) months upon the same terms and conditions.

**V.4 CONTRACT-003.1c Signatures - PO (July 2015)**

The Contract shall not be a legally binding contract until the fully-executed Purchase Order has been sent to the Contractor. No Commonwealth employee has the authority to verbally direct the commencement of any work or delivery of any supply under this Purchase Order prior to the Original PO Effective Date. The Contractor hereby waives any claim or cause of action for any service or work performed prior to the Original PO Effective Date.

The services to be provided by the Contractor hereunder have been approved by the Department of General Services as an emergency procurement, and the Contractor was issued an Emergency Purchase Order No. 4300668050. Notwithstanding anything to the contrary contained within this Contract, the Contractor may provide the services prior to full execution of the Contract based upon receipt of an Emergency Purchase Order. Upon full execution of the Contract, all services delivered or performed during the period following the approval of the emergency procurement and the Effective Date shall be merged into and covered by the terms of this Contract. The parties agree to mutually make all actions reasonably necessary to execute the Contract in a timely manner.

The Purchase Order may be electronically signed by the Commonwealth. The electronically-printed name of the Purchasing Agent, or in the case of an Auto-Purchase Order the name of the Centralized Purchasing Group, represents the signature of that individual(s) who has the authority, on behalf of the Commonwealth, to bind the Commonwealth to the terms of the Contract. If the Purchase Order output form does not have “Fully Executed” at the top of the first page and does not have the name of the Purchasing Agent, or in the case of an Auto-Purchase Order the name of the Centralized Purchasing Group, printed in the appropriate box, the Contract has not been fully executed.

The fully-executed Purchase Order may be sent to the Contractor electronically or through facsimile equipment. The electronic transmission of a Purchase Order shall require acknowledgement of receipt of

the transmission by the Contractor. Receipt of the electronic or facsimile transmission of the Purchase Order shall constitute receipt of the fully-executed Purchase Order.

The Commonwealth and the Contractor specifically agree as follows:

- a. No handwritten signature shall be required in order for the Purchase Order to be legally enforceable.
- b. The parties agree that no writing shall be required in order to make the Purchase Order legally binding, notwithstanding contrary requirements in any law. The parties hereby agree not to contest the validity or enforceability of a genuine Purchase Order or acknowledgement issued electronically under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any genuine Purchase Order or acknowledgement issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of a genuine Purchase Order or acknowledgements under either the business records exception to the hearsay rule or the best evidence rule on the basis that the Purchase Order or acknowledgement were not in writing or signed by the parties. A Purchase Order or acknowledgment shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.
- c. Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document if necessary.

#### **V.5 CONTRACT-004.1a Definitions (Oct 2013)**

Further, the Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

The Contractor warrants that all items furnished and all services performed by the Contractor, its agents and subcontractors shall be delivered in accordance with the specifications outlined in the Contract. Unless otherwise stated in the Contract, all items are warranted for a period of thirty (30) days following delivery by the Contractor and acceptance by the Commonwealth. In the event the Commonwealth determines that the services do not conform to the specifications of the Contract within the warranty period outlined above, the Contractor shall repair, replace or otherwise correct any problem with the delivered item, for up to forty (40) hours' worth of services under this Contract. When an item is replaced, it shall be replaced with an item of equivalent or superior quality without any additional cost to the Commonwealth, provided such replacement services shall be limited to forty (40) hours' worth of services under this Contract.

#### **V.10 CONTRACT-009.1d Ownership Rights (Oct 2006)**

The Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Contract.

#### **V.14 CONTRACT-014.1 Post-Consumer Recycled Content (June 2016)**

Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified by the Environmental Protection Agency in its Comprehensive Procurement Guidelines, which can be found at <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program> .

For the avoidance of doubt, counsel for the Department of General Services has determined that Contractor shall not provide any products under this Contract that are subject to this requirement. The terms of this section are not applicable to the services outlined in the Statement of Work set forth in Exhibit B to the Contract.

-

**V.16 CONTRACT 015.1 Compensation (Oct 2006)**

Unless mutually agreed otherwise in a formal written amendment to the Contract, (i) the Contractor shall be required to furnish the awarded item(s) at the price(s) quoted in the Purchase Order, and (ii) all item(s) shall be delivered within the time period(s) specified in the Purchase Order. The Contractor shall be compensated only for item(s) that are delivered to the Commonwealth.

**V.17 CONTRACT-015.1A Compensation/Expenses (Oct 2013)**

Unless mutually agreed otherwise in a formal written amendment to the Contract, (i) the Contractor shall be required to perform the specified services at the price(s) quoted in the Contract, and (ii) all services shall be performed within the time period(s) specified in the Contract. The Contractor shall be compensated only for work performed in accordance with the specifications of the Contract. The Contractor shall not be allowed or paid travel or per diem expenses except as specifically set forth in the Contract.

**V.18 CONTRACT-015.2 Billing Requirements (February 2012)**

Unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall include in all of its invoices the following minimum information:

- Vendor name and "Remit to" address, including SAP Vendor number;
- Bank routing information, if ACH;
- SAP Purchase Order number;
- Delivery Address, including name of Commonwealth agency;
- Description of the supplies/services delivered in accordance with SAP Purchase Order (include purchase order line number if possible);
- Quantity provided;
- Unit price;
- Price extension;
- Total price; and
- Delivery date of supplies or services.

If an invoice does not contain the minimum information set forth in this paragraph, the Commonwealth may return the invoice as improper. If the Commonwealth returns an invoice as improper, the time for processing a payment will be suspended until the Commonwealth receives a correct invoice. The Contractor may not receive payment until the Commonwealth has received a correct invoice.

Contractors are required to establish separate billing accounts with each using agency and invoice them directly. Contractor shall invoice the Commonwealth on a weekly basis for all hours worked by Contractor resources during the previous week. Each invoice shall be itemized with adequate detail and match the line item on the Purchase Order. In no instance shall any payment be made for services to the Contractor that are not in accordance with the prices on the Purchase Order, the Contract, updated price lists or any discounts negotiated by the purchasing agency.

-

**V.19 CONTRACT 016.1 Payment (Oct 2006)**

- a. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is thirty (30) days after a proper invoice actually is received at the "Bill To" address (a "proper" invoice is not received until the Commonwealth accepts the service as satisfactorily performed based on the criteria that the services conform to the specifications of the Contract). Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within fifteen (15) days after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within thirty (30) days after performance, and to reject the service if such post payment testing or inspection discloses failure to meet Contract specifications. The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.

**V.20 CONTRACT-016.2 Payment – Electronic Funds Transfer (February 2014)**

- a. The Commonwealth will make contract payments through the Automated Clearing House (ACH). Within 10 days of award of the contract or purchase order, the contractor must submit or must have already submitted their ACH information within their user profile in the Commonwealth's procurement system (SRM).
- b. The contractor must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth of Pennsylvania's ACH remittance advice to enable the contractor to properly apply the state agency's payment to the invoice submitted.
- c. It is the responsibility of the contractor to ensure that the ACH information contained in SRM is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

**V.21 CONTRACT-017.1 Taxes (Dec 5 2006)**

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 23-23740001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this paragraph is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

## **V.22 CONTRACT 018.1 Assignment of Antitrust Claims (Oct 2006)**

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Contract.

## **V.24 CONTRACT-020.1 Audit Provisions (Oct 2006)**

The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents and records of the Contractor to the extent that the books, documents and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract. The Contractor shall preserve books, documents, and records that relate to costs or pricing data for the Contract for a period of three (3) years from date of final payment. The Contractor shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

## **V.25 CONTRACT-020.2 Single Audit Act of 1984 (Oct 2013)**

In compliance with the *Single Audit Act of 1984*, the Contractor agrees to the following:

- a. This Contract is subject to audit by federal and state agencies or their authorized representative in accordance with the auditing standards promulgated by the Comptroller General of the United States and specified in *Government Auditing Standards*, 1994 Revisions (Yellow Book).
- b. The audit requirement of this Contract will be satisfied if a single audit is performed under the provisions of the *Single Audit Act of 1984*, 31 U.S.C. Section 7501, et seq, and all rules and regulations promulgated pursuant to the Act.
- c. The Commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial/compliance, economy/efficiency, or program results nature, if deemed necessary.

The Contractor further agrees to comply with requirements that may be issued by the state agency upon receipt of additional guidance received from the federal government regarding the *Single Audit Act of 1984*.

## **V.26 CONTRACT-021.1 Default (Oct 2013)**

- a. The Commonwealth may, subject to the Force Majeure provisions of this Contract, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in the Termination Provisions of this

-  
Contract) the whole or any part of this Contract or any Purchase Order for any of the following reasons:

- 1) Failure to begin work within the mutually agreed upon time specified in the Contract or Purchase Order or as otherwise specified;

- 2) Failure to perform the work with sufficient labor, equipment, or material to ensure the completion of the specified work in accordance with the Contract or Purchase Order terms;
  - 3) Unsatisfactory performance of the work (based on the criteria that the work does not conform to the specifications of the Contract);
  - 4) Failure to deliver the awarded item(s) within the time specified in the Contract or Purchase Order or as otherwise specified;
  - 5) Improper delivery (based on the criteria that the delivery does not conform to the specifications of the Contract);
  - 6) Failure to provide an item(s) which is in conformance with the specifications referenced in the Contract or Purchase Order;
  - 7) Intentionally omitted;
  - 8) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;
  - 9) Discontinuance of work without approval;
  - 10) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so;
  - 11) Insolvency or bankruptcy;
  - 12) Assignment made for the benefit of creditors;
  - 13) Failure or refusal within 10 days after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;
  - 14) Failure to protect, to repair, or to make good any damage or injury to property to the extent required by the terms of the Contract;
  - 15) Breach of any provision of the Contract;
  - 16) Failure to comply with representations made in the Contractor's bid/proposal; or
  - 17) Failure to comply with applicable industry standards, customs, and practice.
- b. In the event that the Commonwealth terminates this Contract or any Purchase Order in whole or in part as provided in Subparagraph a. above, the Commonwealth may procure, upon such terms and in such manner as it determines, items similar or identical to those so terminated, and the Contractor shall be liable to the Commonwealth for any reasonable excess costs for such similar or identical items included within the terminated part of the Contract or Purchase Order, provided however Contractor's liability for any such reasonable costs shall be limited to three (3) months' worth of services.

- c. If the Contract or a Purchase Order is terminated as provided in Subparagraph a. above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such partially completed items, including, where applicable, reports, working papers and other documentation, as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract or Purchase Order as has been terminated. Except as provided below, payment for completed work accepted by the Commonwealth shall be at the Contract price. Except as provided below, payment for partially completed items including, where applicable, reports and working papers, delivered to and accepted by the Commonwealth shall be in an amount agreed upon by the Contractor and Contracting Officer. The Commonwealth may withhold from amounts otherwise due the Contractor for such completed or partially completed works, such sum as the Contracting Officer determines to be necessary to protect the Commonwealth against loss.
- d. The rights and remedies of the Commonwealth provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- e. The Commonwealth's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- f. Following exhaustion of the Contractor's administrative remedies as set forth in the Contract Controversies Provision of the Contract, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

#### **V.27 CONTRACT-022.1 Force Majeure (Oct 2006)**

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect to cancel the Contract, cancel the Purchase Order, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract or Purchase Order.

## **V.28 CONTRACT-023.1a Termination Provisions (Oct 2013)**

The Commonwealth has the right to terminate this Contract or any Purchase Order for any of the following reasons. Termination shall be effective upon written notice to the Contractor.

- a. **TERMINATION FOR CONVENIENCE:** The Commonwealth shall have the right to terminate the Contract or a Purchase Order for its convenience with thirty (30) days written notice to the Contractor if the Commonwealth determines termination to be in its best interest. The Contractor shall be paid for work completed in accordance with the specifications of the Contract prior to the effective date of the termination, but in no event shall the Contractor be entitled to recover loss of profits.
- b. **NON-APPROPRIATION:** The Commonwealth's obligation to make payments during any Commonwealth fiscal year succeeding the current fiscal year shall be subject to availability and appropriation of funds. When funds (state and/or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract or a Purchase Order. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid from any appropriations available for that purpose.
- c. **TERMINATION FOR CAUSE:** The Commonwealth shall provide thirty (30) days written notice to Contractor in the event of Contractor default as defined in Section V.26 herein, or Commonwealth intent to terminate the Contract or Purchase Order for cause. In the event Contractor does not cure the default within the thirty (30) day notice period, the Commonwealth shall have the right to terminate the Contract or a Purchase Order for Contractor default under the Default Clause, or for other cause as specified in the Contract or by law upon written notice to the Contractor. If it is later determined that the Commonwealth erred in terminating the Contract or a Purchase Order for cause, then, at the Commonwealth's discretion, the Contract or Purchase Order shall be deemed to have been terminated for convenience under the Subparagraph a.

## **V.29 CONTRACT-024.1 Contract Controversies (Oct 2011)**

- a. In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the contracting officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. At the time the claim is filed, or within sixty (60) days thereafter, either party may request mediation through the Commonwealth Office of General Counsel Dispute Resolution Program.
- b. If the Contractor or the contracting officer requests mediation and the other party agrees, the contracting officer shall promptly make arrangements for mediation. Mediation shall be scheduled so as to not delay the issuance of the final determination beyond the required 120 days after receipt of the claim if mediation is unsuccessful. If mediation is not agreed to or if resolution is not reached through mediation, the contracting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination

shall be issued within 120 days of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The contracting officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The contracting officer's determination shall be the final order of the purchasing agency.

- c. Within fifteen (15) days of the mailing date of the determination denying a claim or within 135 days of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract in a manner consistent with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract.

### **V.30 CONTRACT-025.1 Assignability and Subcontracting (Oct 2013)**

- a. Subject to the terms and conditions of this paragraph, this Contract shall be binding upon the parties and their respective successors and assigns.
- b. The Contractor shall not subcontract with any person or entity to perform all or any part of the work to be performed under this Contract without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- c. The Contractor may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- d. Notwithstanding the foregoing, the Contractor may, without the consent of the Contracting Officer, assign its rights to payment to be received under the Contract, provided that the Contractor provides written notice of such assignment to the Contracting Officer together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of this Contract.
- e. For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.
- f. Any assignment consented to by the Contracting Officer shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
- g. A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Contractor shall give the Contracting Officer written notice of any such change of name.

### **V.31 CONTRACT-026.1 Other Contractors (Oct 2006)**

The Commonwealth may undertake or award other contracts for additional or related work, and the Contractor shall fully cooperate with other contractors and Commonwealth employees, and coordinate its work with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees. This paragraph shall be included in the Contracts of all contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this paragraph as to all contractors to prevent the imposition of unreasonable burdens on any contractor.

### **V.32 CONTRACT-027.1 Nondiscrimination/Sexual Harassment Clause (August 2018)**

The Contractor agrees:

- a. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- b. *Neither* the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract.
- c. *Neither* the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under the contract.
- d. *Neither* the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the *Public Employee Relations Act*, *Pennsylvania Labor Relations Act* or *National Labor Relations Act*, as applicable and to the extent determined by entities charged with such Acts' enforcement, and shall comply with any provision of law establishing organizations as employees' exclusive representatives.
- e. The Contractor and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees in writing of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contracted services are performed shall satisfy this requirement for employees with an established work site.
- f. The Contractor and each subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of PHRA and applicable

federal laws, against any subcontractor or supplier who is qualified to perform the work to which the contract relates.

- g. The Contractor and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws, regulations and policies relating to nondiscrimination and sexual harassment. - b. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- c. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- f. Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the *Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a)*.
- g. When contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to *contact* by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
- h. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that is has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term

of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

- i. Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into

in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

- j. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation or otherwise.

#### **V.34 CONTRACT-029.1 Contractor Responsibility Provisions (Nov 2010)**

1. The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.

Such notification shall be made within 15 days of the date of suspension or debarment.
4. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
5. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. - a. Pursuant to federal regulations promulgated under the authority of The Americans With Disabilities Act, 28C.F.R. Section 35.101 et seq., the Contractor understands and agrees that it shall not cause any individual with a disability to be excluded from participation in this Contract or from activities provided for under this Contract on the basis of the disability. As a condition of accepting this contract, the Contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C.F.R. Section 35.130, and all other regulations promulgated under Title II of The Americans With Disabilities Act which are applicable to all benefits, services, programs, and activities provided by the Commonwealth of Pennsylvania through contracts with outside contractors.
- b. The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth of Pennsylvania from all losses, damages, expenses, claims, demands, suits,

**V.36 CONTRACT-032.1 Covenant Against Contingent Fees (Oct 2006)**

The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the Commonwealth shall have the right to terminate the Contract without liability or in its discretion to deduct from the Contract price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

**V.37 CONTRACT-033.1 Applicable Law (Oct 2006)**

This Contract shall be governed by and interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania (without regard to any conflict of laws provisions) and the decisions of the Pennsylvania courts. The Contractor consents to the jurisdiction of any court of the Commonwealth of

Pennsylvania and any federal courts in Pennsylvania, waiving any claim or defense that such forum is not convenient or proper. The Contractor agrees that any such court shall have *in personam* jurisdiction over it, and consents to service of process in any manner authorized by Pennsylvania law.

**V.38 CONTRACT- 034.1b Integration (Nov 30 2006)**

This Contract constitutes the entire agreement between the parties. No agent, representative, employee or officer of either the Commonwealth or the Contractor has authority to make, or has made, any statement, agreement or representation, oral or written, in connection with the Contract, which in any way can be deemed to modify, add to or detract from, or otherwise change or alter its terms and conditions. No negotiations between the parties, nor any custom or usage, shall be permitted to modify or contradict any of the terms and conditions of the Contract. No modifications, alterations, changes, or waiver to the Contract or any of its terms shall be valid or binding unless accomplished by a written amendment signed by both parties.

**V.40 CONTRACT-034.3 Controlling Terms and Conditions (Aug 2011)**

The terms and conditions of this Contract shall be the exclusive terms of agreement between the Contractor and the Commonwealth. All quotations requested and received from the Contractor are for obtaining firm pricing only. **V.41 CONTRACT-035.1a Changes (Oct 2006)**

The Commonwealth reserves the right to make changes at any time during the term of the Contract or any renewals or extensions thereof: 1) to increase or decrease the quantities resulting from variations between any estimated quantities in the Contract and actual quantities; 2) to make changes to the services

within the scope of the Contract; 3) to notify the Contractor that the Commonwealth is exercising any Contract renewal or extension option; or 4) to modify the time of performance that does not alter the scope of the Contract to extend the completion date beyond the Expiration Date of the Contract or any renewals or extensions thereof. Any such change shall be made by the Contracting Officer by notifying the Contractor in writing. The change shall be effective as of the date of the change, unless the notification of change specifies a later effective date, and mutual written agreement between the parties. Such increases, decreases, changes, or modifications will not invalidate the Contract, nor, if performance security is being furnished in conjunction with the Contract, release the security obligation. The Contractor agrees to provide the service in accordance with the mutually agreeable change order. Any dispute by the Contractor in regard to the performance required by any notification of change shall be first discussed in good faith between the parties to reach an agreement. However, if after such discussions, the dispute shall be handled through Contract Controversies Provision of this Contract. Any requests for changes from the Contractor shall be submitted to the Commonwealth for review and follow the same process identified above.

#### **V.42 CONTRACT-036.1 Background Checks (February 2016)**

- a. The Contractor must, at its expense, arrange for a background check for each of its employees, as well as the employees of any of its subcontractors, who will have access to Commonwealth facilities, either through on-site access or through remote access. Background checks are to be conducted via the Request for Criminal Record Check form and procedure found at <http://www.psp.state.pa.us/psp/lib/psp/sp4-164.pdf> . The background check must be conducted prior to initial access and on an annual basis thereafter.
- b. Before the Commonwealth will permit access to the Contractor, the Contractor must provide written confirmation that the background checks have been conducted. If, at any time, it is discovered that a Contractor employee has a criminal record that includes a felony or misdemeanor involving terroristic behavior, violence, use of a lethal weapon, or breach of trust/fiduciary responsibility or which raises concerns about building, system or personal security or is otherwise job-related, the Contractor shall not assign that employee to any Commonwealth facilities, shall remove any access privileges already given to the employee and shall not permit that employee remote access unless the Commonwealth consents to the access, in writing, prior to the access. The Commonwealth may withhold its consent in its sole discretion. Failure of the Contractor to comply with the terms of this Section on more than one occasion or Contractor's failure to appropriately address any single failure to the satisfaction of the Commonwealth may result in the Contractor being deemed in default of its Contract.
- c. The Commonwealth specifically reserves the right of the Commonwealth to conduct background checks over and above that described herein.
- d. Access to certain Capitol Complex buildings and other state office buildings is controlled by means of card readers and secured visitors' entrances. Commonwealth contracted personnel who have regular and routine business in Commonwealth worksites may be issued a photo identification or access badge subject to the requirements of the contracting agency and DGS set forth in [Enclosure 3 of Commonwealth Management Directive 625.10 \(Amended\) Card Reader and Emergency Response Access to Certain Capitol Complex Buildings and Other State Office Buildings](#). #### V.43 CONTRACT-037.1a Confidentiality (Oct 2013)

- (a) The Contractor agrees to protect the confidentiality of the Commonwealth's confidential information. The Commonwealth agrees to protect the confidentiality of Contractor's confidential information. In order for information to be deemed confidential, the party claiming confidentiality must designate the information as "confidential" in such a way as to give notice to the other party (notice may be communicated by describing the information, and the specifications around its use or disclosure, in the SOW). Neither party may assert that information owned by the other party is such party's confidential information. The parties agree that such confidential information shall not be copied, in whole or in part, or used or disclosed except when essential for authorized activities under this Contract and, in the case of disclosure, where the recipient of the confidential information has agreed to be bound by confidentiality requirements no less restrictive than those set forth herein. Each copy of such confidential information shall be marked by the party making the copy with any notices appearing in the original. Upon termination or cancellation of this Contract or any license granted hereunder, the receiving party will return to the disclosing party all copies of the confidential information in the receiving party's possession, other than one copy, which may be maintained for archival purposes only, and which will remain subject to this Contract's security, privacy, data retention/destruction and confidentiality provisions (all of which shall survive the expiration of this Contract). Both parties agree that a material breach of these requirements may, after failure to cure within the time frame specified in this Contract, and at the discretion of the non-breaching party, result in termination for default pursuant to the DEFAULT provision of this Contract, in addition to other remedies available to the non-breaching party.
- (b) Insofar as information is not otherwise protected by law or regulation, the obligations stated in this Section do not apply to information:
- (1) already known to the recipient at the time of disclosure other than through the contractual relationship;
  - (2) independently generated by the recipient and not derived by the information supplied by the disclosing party.
  - (3) known or available to the public, except where such knowledge or availability is the result of unauthorized disclosure by the recipient of the proprietary information;
  - (4) disclosed to the recipient without a similar restriction by a third party who has the right to make such disclosure; or
  - (5) required to be disclosed by law, regulation, court order, or other legal process.
- (c) There shall be no restriction with respect to the use or disclosure of any ideas, concepts, knowhow, or data processing techniques developed alone or jointly with the Commonwealth in connection with services provided to the Commonwealth under this Contract.
- (d) The Contractor shall use the following process when submitting information to the Commonwealth it believes to be confidential and/or proprietary information or trade secrets:
- (1) Prepare an un-redacted version of the appropriate document, and

- (2) Prepare a redacted version of the document that redacts the information that is asserted to be confidential or proprietary information or a trade secret, and
- (3) Prepare a signed written statement that states:
  - (i) the attached document contains confidential or proprietary information or trade secrets;
  - (ii) the Contractor is submitting the document in both redacted and un-redacted format in accordance with 65 P.S. § 67.707(b); and
  - (iii) the Contractor is requesting that the document be considered exempt under 65 P.S. § 67.708(b)(11) from public records requests.
- (4) Submit the two documents along with the signed written statement to the Commonwealth.

#### **V.44 CONTRACT-037.2a Sensitive Information (Sept 2009)**

The Contractor shall not publish or otherwise disclose, except to the Commonwealth and except matters of public record, any information or data obtained hereunder from private individuals, organizations, or public agencies, in a publication whereby the information or data furnished by or about any particular person or establishment can be identified, except with the consent of such person or establishment. The parties shall not use or disclose any information about a recipient receiving services from, or otherwise enrolled in, a Commonwealth program affected by or benefiting from services under this Contract for any purpose not connected with the parties' Contract responsibilities except with the written consent of such recipient, recipient's attorney, or recipient's parent or guardian pursuant to applicable state and federal law and regulations.

Contractor will be responsible to remediate any improper disclosure of information. Such remediation may include, but not be limited to, credit monitoring for individuals for whom information has been released and reimbursement of any costs incurred by individuals for whom information has been released.

#### **V.45 CONTRACT-037.2b Health Insurance Portability and Accountability Act (HIPAA) Compliance (Oct 2013)**

The Health Insurance Portability and Accountability Act (HIPAA) Compliance requirements are set forth in Attachment 1 to the Statement of Work hereto as Exhibit B to the Contract.

#### **V.46 CONTRACT-045.1 Insurance - General (Dec 12 2006)**

Public Liability and Property Damage Insurance** to protect the Commonwealth, the Contractor, and any and all subcontractors from claims for damages for personal injury (including bodily injury), sickness or disease, accidental death and damage to property including the loss of use resulting from any property damage, which may arise from the activities performed under the Contract or the failure to perform under the Contract, whether such performance or non-performance be by the Contractor, by any subcontractor, or by anyone directly or indirectly employed by either. The minimum amounts of coverage shall be \$250,000 per person and \$1,000,000 per occurrence for bodily injury, including death, and \$250,000 per person and \$1,000,000 per occurrence for property damage. Such policies shall be occurrence rather than claims-made policies and shall not contain any endorsements or any other form designated to limit and restrict any action by the Commonwealth, as an additional insured, against the insurance coverage in regard to work performed for the Commonwealth.

Prior to commencement of the work under the Contract and at each insurance renewal date during the term of the Contract, the Contractor shall provide the Commonwealth with current certificates of insurance. These certificates or policies shall name the Commonwealth as an additional insured and shall contain a provision that the coverage's afforded under the policies will not be cancelled or changed until at least thirty (30) days written notice has been given to the Commonwealth. Failure by the Commonwealth to obtain the certificates shall not be deemed a waiver of the Contractor's obligation to obtain and furnish certificates. The Commonwealth shall have the right to inspect the original insurance policies. An umbrella or excess liability insurance policy may be used to supplement the Contractor's policy limits to satisfy the full policy limits required by the Contract.

**V.47 CONTRACT-051.1 Notice (Dec 2006)**

Any written notice to any party under this Contract shall be deemed sufficient if delivered personally, or by facsimile, teletype, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.) with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, and sent to following:

  2. Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Contract.
- d. If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor must notify the Commonwealth and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of the Contractor explaining why the requested material is exempt from public disclosure under the RTKL.
  - e. The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within five (5) business days of receipt of written notification of the Commonwealth's determination.
  - f. If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth.
